Overture-2000
Series

Entry Terminal

The Overture-2000 Series Entry Terminal utilizes innovative technology and a linear barcode for expedited entry to parking facilities. The device offers intuitive user guidance through a dynamic color display for ease of use. The Entry Terminal dispenses thermal barcode tickets and provides options for proximity access.

Features

- Rapid entry delivers increased throughput
- Linear barcode system
- 5.7" color display–sunlight readable
- Illuminated components for ease of use
- TCP/IP network connectivity
- Uses common hardware components for fewer inventoried parts and reduced service training
- Field programmable operation utilizing PC host remote control
- Aluminum construction
- Powder coat finish
- Thermal ticket printer
- License plate recognition optional
- Integrated proximity or barcode reader optional
- Integrated intercom, multiple vendor kits optional
- Integrated IP camera optional
- EMV capability optional

SPECIFICATIONS

COMPLIANCE

RoHS Compliant

Overture-2700 Series lane equipment does not store credit card data

Meets ADA (Americans with Disabilities Act) and ANSI (American National Standards Institute) requirements

ELECTRICAL

Power Source:	120 VAC, 60 Hz
Utilization:	10 amp maximum (120V)

MECHANICAL

Automatic ticket feed; thermal printer

TIME CONTROL

Real-time clock synchronization with host computer

ENVIRONMENT

Temperature:	-13°F ~ 104°F (-25°C ~ 40°C) Automatic thermostat-controlled heater included
Humidity:	10% ~ 90% (non-condensing)

HOUSING

Heavy-duty, aluminum construction, weather gasketing, lockable door

Dimensions:	50.2″H x 15.5″W x 17.3″D (127.6 cm x 39.5 cm x 44 cm)
Ticket Throat:	38.25″ (104 cm)
Weight:	110.2 lbs. (50 kg)
Finish (Standard):	Powder coat finish. Hood and door: RAL#9005 black Cabinet: RAL#7022 gray; custom color available

THERMAL TICKET PRINTER

High density 300 DPI (dots per inch) thermal print head

Prints date and time (24-hour format) and ticket number

TICKETS

Uses fanfold thermal tickets: 5,000 tickets/carton. Holds one carton

Credit card size tickets: 2-1/8″ x 3-3/8″ (5.40 cm x 8.65 cm)

OPTIONS

Proximity access card models optional

TCP/IP security camera optional

LPR optional

INTERCOM

Integrated VoIP intercom optional
