Series

## Credit Card Only Central Pay-on-Foot Station

The Overture-4800 Series Credit Card Only Central Pay-on-Foot Station utilizes innovative technology and a linear barcode for expedited payment in parking facilities. The Overture-4800 offers intuitive user guidance through a dynamic color display. The Credit Card Only Central Pay-on-Foot Station processes validations and thermal linear barcode tickets from Overture-2000 Series Entry Terminals. Payment is by credit card and includes options for touchless payment.

### Features

- Rapid payment delivers increased throughput
- Linear barcode system
- 5.7" color display-sunlight readable
- Illuminated components for ease of use
- TCP/IP network connectivity
- Uses common hardware components for fewer inventoried parts and reduced service training
- Programmed from host
- Aluminum construction
- Powder coat finish
- Thermal receipt printer
- Integrated VoIP intercom optional
- Integrated IP camera optional
- EMV capability optional
- Apple Pay and Google Wallet optional
- Integrated barcode scanner optional
